

WHOLENESS 2 PEACE CARE SERVICES

Where becoming whole leads to peace.

**Something happened that you wish had gone differently.
That does not have to define what comes next.**

Wholeness 2 Peace helps you complete your DUI requirement without making you explain yourself to a room.

What You Get

- 16 hours of state-approved DUI education
- Four Saturdays, 9:00 AM to 1:00 PM, first and third Saturday of the month
- Small groups, capped at 8 people
- Certificate of completion within 7 days
- Evidence-based curriculum
- Screening, education, and treatment all offered here

What It Costs

DUI Screening, due at intake \$150
16-Hour Program \$400
Workbook Included
Certificate Included

Total \$550

\$150 due at your screening. \$400 before your first class. The screening fee is non-refundable.

Late cancellation, no-show, or makeup session: \$50 each.

Education is self-pay. If your screening shows you also need treatment, insurance may cover that part.

Groups need at least three people. If we do not have three, you can wait for the next group at no cost or start individually for \$1,200. We will confirm with you before you pay anything beyond the screening.

Screening, education, and treatment all in one place. If your screening shows you need more than the class, you finish here instead of starting over somewhere new.

Referring Attorneys

Your clients receive full documentation for court compliance. Attendance records, session hours, and certificates are maintained per Arizona Administrative Code R9-20-109. Non-compliance is reported to the court within 7 days. Call (623) 688-1537 or fax (602) 761-9610.

Two things before you call

Not sure what the court ordered? Call us and read your paperwork to us over the phone. We can usually tell you what you need in about five minutes.

Know your deadline. Tell us the date the court requires you to finish. The program takes about seven weeks, so if your deadline is sooner we need to know up front.
